In order for Durrell Wildlife Conservation Trust to collate Gift Aid donations, please return this completed sponsorship form with all donations made.

The government's Gift Aid scheme allows UK registered charities, such as ourselves, to raise vital extra funds by reclaiming the tax paid on donations by UK taxpayers. This means that every £1 you donate will be worth an additional 28p to us. Please note that tax can only be reclaimed on donations made by individuals who pay UK income or capital gains tax and are at least equal to the amount reclaimed on the donations in the current tax year.
